

APPETITE GUIDE AND CONTACTS

Construction Professional

For Our Partners

From new technologies to a growing focus on sustainability — architectural, engineering, and construction professionals face a broadening scope of contractual requirements and potential liability.

AXIS Construction Professional comes with decades of combined expertise to help clients and brokers evaluate and manage these risks.

This guide connects you to the products that will best serve our mutual customers:

- AXIS Contractor's Professional and Pollution Liability with SubGap Indemnity Coverage (C-Pro Plus)
- AXIS Owner and Developer Protective Professional Indemnity (ODPP)
- AXIS Design Professional Liability

Specialty Solutions, Elevated
