This material is provided for informational purposes only and is intended for use by licensed insurance professionals. The services and service providers discussed above are suggested as risk mitigation and incident response resources, but this material is not an offer to sell, or a solicitation to buy, any particular insurance product or service for a particular insured. Use of the service providers does not guarantee the performance or quality of the services provided, including the avoidance of loss, the fulfillment of any obligations under any contract or compliance with any law, rule or regulation. AXIS is not responsible for the effectiveness of a cyber risk management program and encourages each policyholder, together with advice from their professional insurance advisor, to perform its own independent evaluation of any service provider as part of its overall risk management strategy.
