## For Our Partners

When an organization faces the potential of being legally accountable for accidents resulting in bodily injury, personal injury, or property damage, the financial protection offered by AXIS Primary Casualty insurance comes into play.

Our primary casualty experts bring extensive expertise in comprehending the distinctive challenges that companies encounter in today's business landscape.

Product information is for descriptive purposes only and does not provide a complete summary of coverage, and is intended for use by licensed insurance producers. It is not an offer to sell, or a solicitation to buy, any insurance product for a particular insured. Policy terms, conditions or exclusions may vary. Coverage may not be available in all jurisdictions and is subject to underwriting. Consult the applicable insurance policy for specific terms, conditions, limits, limitations, and exclusions. No insurance product is offered or will be sold in any jurisdiction in which such offer or solicitation would be unlawful. Some products may be offered by AXIS companies not admitted in certain states, and therefore may be available only through licensed surplus lines brokers. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are not protected by such funds. More information about AXIS' financial strength and individual insurance company ratings is available [here](#).
