

AXIS Incident Commander is a complimentary rapid triage and support resource for AXIS primary cyber insurance policyholders that will help them to navigate a cyber incident. Customers and/or brokers can contact Incident Commander 24/7 for technical support and guidance by calling **+1-844-IC4-AXIS (+1-844-424-2947)** or email **IC@axiscapital.com**.

While not mandatory, the Incident Commander can expedite contact to the following pre-approved vendors and providers.

This material is provided for informational purposes only and is not an offer to sell, or a solicitation to buy, any particular insurance product or service for a particular insured. It is intended for licensed insurance professionals. The services and service providers discussed in this document are suggested as risk mitigation and incident response resources. Use of AXIS Incident Commander does not constitute advice of any kind, and use of any service provider does not guarantee the performance or quality of the services provided, including the avoidance of loss, the fulfilment of any obligations under any contract or compliance with any law, rule or regulation. AXIS is not responsible for the effectiveness of a cyber risk management program and encourages each policyholder, together with advice from their professional insurance advisor, to perform its own independent evaluation of any service provider as part of its overall risk management strategy.
